

PERMAGARD  
AVIATION

**BOHLKE**  
INTERNATIONAL AIRWAYS

# 3Ps

## PERMANENCE

- Seals the external finish Glossy and slick to the touch
- No need to polish
- Never needs to be compounded
- Reduces the need for respraying and repainting.
- Proven to reduce parasitic drag on business jets, thereby reducing engine cruise power settings, ultimately saving fuel.

- Protects against fading and oxidation
- Eliminates swirl marks
- Does not contain wax or silicone
- Does not create repaint problems

## PROTECTION

## PERFORMANCE

- Reduces drag and improves performance Dramatically
- Reduces maintenance
- Restores and revitalizes paint and composites
- Exceptional, long-lasting shine
